

The logo for Hanamatsuri features the word "HANAMA" in a light pink, sans-serif font above the word "TSURI" in a dark brown, bold, sans-serif font. A brown branch with several pink cherry blossoms arches over the text, with some blossoms appearing to be part of the letters.

HANAMA TSURI

On behalf of the Fresno Buddhist Temple Board of Directors, I regret to inform you that our Hanamatsuri Service (April 12) has been **CANCELLED**. Also, **Sunday Dharma Services will be suspended thru April 30.**

With the announcement by Gov. Newsom that all public gatherings should be cancelled and the announcement by President Trump declaring a state of national emergency amid the pandemic, it is imperative that we cancel for the safety of our entire community and loved ones.

The April Shotsuki will be combined with the month of May, if service is held. Our membership will indeed be notified should there be additional changes to the service schedule.

Thank you for your support in this most difficult of times.

In Gassho,

Gordon Ah-Tye, Board Chair
Fresno Buddhist Temple
