

Looking for a fun filled Japanese Cultural experience ?

The Fresno Kodomo Center has been created to introduce the Japanese culture and way of life: group harmony, conservation of resources, respect for elders, and cooperative effort to children of all ethnicities and religious denominations in a safe environment. This 2 week summer program will be led by Rev. Kaz Nakata, certified teachers, and volunteers.

The camp will be held from July 10-21, 2023 from 8:30-11:30 am for 4-5 year olds. We will focus on Japanese cultural activities and team sports to help refine motor skills and develop the social skills necessary in life and school.

During these upcoming months of holiday giving, we are asking for donations of new or gently used items. For your convenience, please leave your donations in the bins located in the Multipurpose Room inside the Family Dharma Center.

If you would like to volunteer, please contact Alene Hayashi at amhayashi@sbcglobal.net Volunteers 14-17 years old will have adult supervision. All adults 18 years and older will be fingerprinted per AB-506 certification.
